GRETA VALLEY P.S. FIRE READY

Greta Valley Primary School is on the Bushfire at Risk Register. On Friday May 12th, the school had a visit from the Greta Fire Brigade. The very informative Fire Safety session was presented to our Grade 4/5 students. Afterwards, students were able to look through the truck and use the hose. Community members who experienced the 2015 fires near Broken Creek presented a movie about those fires. Students were taught how to pack an 'evac' pack in preparedness for a fire.

GRETA
FOOTBALL NETBALL CLUB

Please come & enjoy a fun night with raffles, spinning wheel and more....

All proceeds will be donated to Northeast Health Wangaratta Oncology.

2017 Greta Football Netball Club

This edition will feature the clubs new coach, Greg Newbold. We will hear from the netballers in the next edition.

After a solid pre-season, the Greta football team have made a strong start to the season. With at least 10 new players added to the senior squad, and some strong practice match form, both seniors and reserves made promising starts over the first six rounds. At the end of the first third of the year, the seniors were 3 wins and 3 losses, including a 4 point and 15 point loss to Moyhu and Goorambat respectively. The reserves were well placed with 4 wins after losing their opening 2 matches.

What is most pleasing, is that we are playing a consistently attacking style of play and our defensive skills are improving all the time. In all games, except our large loss against Benalla All Blacks, we have been in a winning position at 3/4 time in the seniors. Our latest game saw the seniors lose to Glenrowan by just 17 points, which is a remarkable improvement from our 200+ loss last year. The reserves battled manfully against their top of the table opponent. We encourage all supporters to get on board and enjoy the competitive performances that both teams are consistently providing. Our focus and intent is for both teams to play finals. Our playing group are determined to become better team players and clubmen, so the future is promising.

Greg Newbold

The Greta Football & Netball Club would like to invite everyone in the local community to join in their social functions. Below is a list of forthcoming events to put in your calendars.

We hope to see as many as possible at these functions and don't forget Thursday nights training and dinner.
